Dear Above Noted Criminal Justice Authorities, School Leaders, Parents, and Stop Human Trafficking Public Officials and Individuals:

I write this affidavit and the attached letter to the Rochester City School District, regarding the American Federation of Teachers and Rochester Teachers Association actor, Adam Urbanski. His criminal use of public education for his expanded body brokering, eugenics, human trafficking, and criminal human capital investments, coded as public education human capital alignments with school district governance and hiring powers, compel the writing of this letter and the inclusion of the exhibits attached.

Foremost, the purpose of this declaration is to advocate for student and staff safety from human capital programming by eugenicists. Adam Urbanski is also a vicious Luciferian, starch warlock, satanist, body broker, unregulated Human Capital Investor, necrophiliac, human trafficker, child assassin creator, insurance fraudster, student poison and induce hospitalization specialist, a conflict-of-interest funeral home, memorial and cremation site owner, and racist. Adam Urbanski is the name. He conducts his human trafficking operations through human capital coded schemes, criminally profiteering and leveraging his official positions within the [American Federation of Teachers](#) and the Rochester Teachers Association of New York State. Please see the exhibits attached, substantiating his above noted criminal, yet earned titles.

Human Trafficker Adam Urbanski is operating out of the American Federation of Teachers Association as a Vice President charlatan. He is an over 80-year-old, union election fraud specialist, human trafficker, and assassin programmer in the Rochester Teachers Association. For over four decades, he has been orchestrating the human trafficking of children and staff within the RCSD with impunity. I am likely the sole survivor. For more than thirty years, he has criminally stalked and engineered his serial murder by proxy schemes. It is by the grace of God that I can testify and expose his lethal operations and their proliferation.

Since his human trafficking, induce hospitalizations, label dead, while alive, insurance pay offs to parents and others, and exhumate the body programming has been so effective, he has programmed his human trafficking and eugenic assassination programs under the Code of Human Capital Offices with unwarranted, unsupervised and unauthorized school district governance and money power. He has programmed and planted his human capital investment/human trafficking headquarter offices in all majority minority school districts. See the below sample list of schools with Human Capital Investment offices, covering his human trafficking programs, unbeknownst to many school leaders.

The school districts hosting his programmed "Body Broker Human Trafficking offices" via Human Capital Coding, are all majority-minority. Upon review, I have found no instance of a non-minority school district containing any Human Capital fronts, codes, operations, offices or anything associated with human capital encryption. This establishes a disparate impact and discriminatory pattern in the criminal deployment of human capital offices in public education, which are trafficking infrastructures, pursuant to human capital definitions, research attached, student disappearances and death rates.

The human Trafficker Adam Urbanski funded Human Capital Coded fronts are strategically installed in minority districts for the purposes of:

- Organized human trafficking and trading programming by eugenicists/Luciferians,
- Hijacking Personnel to bring in satanists, pedophiles, human traffickers, food poison specialists and more,
- Programmed food poisonings for induced hospitalizations, for student label dead, while alive trafficking and for staff induce cancer injections, and more...
- Eugenics programming and to facilitate the harvesting of live organs and biological assets, as human capital investments,
- Enabling Luciferian entities to fulfill ritual human sacrifice quotas, both children and adults, in exchange for occultic wealth and unearned influence, contracted
- School District Plausible Deniability Governance, Deity Led, "[Pact of Domination](#)" Lawless Governance Inflictions, Beyond the Superintendent and Board of Education Levels, for criminal use of the school district for satanic programming

Regional killer Adam Urbanski and his Luciferian killing cult are planting these human trafficking offices masked as human capital codes for criminal expert governance usurpations over majority minority school districts. They are using the human capital fronts to hijack hiring, to bring in not vetted eugenicists/Luciferians, economically credentialed, and incompetent people, all to facilitate organized human trafficking.

They usurp authority they do not have, act as overseers and trainers of the school district. They are using a deadly Code Noir enslavement tool model, to mentor and infiltrate the false phenomenon of supremacy crimes, administered as exclusionary/discriminatory hate crime programming. See exhibit 15 attached.

Also, please see the below linked Code Noir, tools of enslavement, criminal, satanic, hate crime law school teaching curriculum used by Urbanski Luciferians partners at NYU, The Federal courts, and the United Nations, scripting crimes for HCO agents to use to advance human trafficking. In fact, please see the root of discriminatory practices in institutions, taught as a tool of enslavement by enforcing exclusionary delusions of law, scripted in exhibit 15. Please see this foreign law, foreign agent, law school hate crime curriculum, that has been used for massive satanic assassination programming in the USA, Haiti and Africa. Please see:

Meet this human trafficker, Adam Urbanski, Luciferian partner, Margaret Satterthwaite. She too, like Adam Urbanski is a child sacrifice specialist, children assassin gang member creator, global judicial system hijacker and judge assassination programmer. Meet Adam Urbanski's satanic cult partner, Luciferian and assassin programmer Margaret Satterthwaite here:
<https://ia800901.us.archive.org/21/items/9-40-june-16-2025-upd-criminal-report-margaret-satterthwaite-google-docs/9-40%2C%20JUNE%2016%2C%202025%20UPD%20CRIMINAL%20REPORT%20MARGARET%20SATTERTHWAITE%20-%20Google%20Docs.pdf>

The unauthorized human capital usurpation over personnel is being done to make sure minority schools are criminally organized and controlled by unqualified, unethical, and inexperienced lawyers, educators, nurses, social workers, cafeteria workers and more.

The satanists want minority school districts to be Satan's hell on earth playground, where untimely death, abuse and exploitation of children, racism, contract violation, contract non enforcement, exclusionary practices, false phenomenon of above the law, and delusions of law, are the methods of operation.

In fact, these satanists have programmed the unauthorized HCO, the personnel hijack offices, to be used as tools of enslavement via fraudulent debt collection. Such offices have been programmed to steal people's money under debt collection fraud and consumer protection law ignorance.

The hijacking of personnel by the school district's unauthorized human capital office facilitates the satanists and Luciferians organized human trafficking and death programming. Criminals are hired and placed in key positions to induce havoc, division, confusion, scripted fraud, and distractions, all of which are prioritized strategies over the educational needs of the students and entire school community.

Under the human capital phenomenon some invisible source inside the human capital concoction controls personnel. School district applicant authentication, validation and finger printing on behalf of the safety of the children, is arbitrary, is not prioritized and criminals are not investigated. This is to make sure the satanists are in full capacity for turning the minority school district into a satanic assassination playground.

Criminals are recruited right from Adam Urbanski's global human trafficking recruitment site linked below. They are hired and placed strategically for human trafficking of students. Please see his conflict of interest, unregulated, human trafficker and criminal recruitment site, coded as millionaire marketing mentors recruitment: <https://themarketingmentors.com/about/>

The ultimate objective of these satanic operations is full-spectrum control of recruitment and staffing, to better support organized, expert-level trafficking enterprises. Under the cover of the "Human Capital" framework, personnel systems are manipulated by internal agents who deny lawful procedures such as:

- **Credential verification,**
- **Background checks,**
- **Fingerprinting, and**
- **Child safety protocols.**

These omissions are not bureaucratic oversights, they are systemic obstructions designed to ensure that Luciferian trafficking operatives have unregulated access to school communities, turning entire districts into playgrounds for ritualized assassination, exploitation, and covert human experimentation.

Onboarding and professional development fronts are used to bring in eugenicists to covertly mentor, signing unconscionable contracts, such as attestations, spiritual contracts for democide, Luciferian programming, like Code Noir, exclusionary/discriminatory practices, breach of contract and contract non enforcement management. These criminal trainings are done covertly.

Hierarchical management is prioritized, with the head of the hierarchy functioning as an unseen lawless and vicious authority, who holds power over the Superintendent. Experienced, qualified, and competent educators, particularly educators of color, are targeted for attack, scandal, and extermination. A hostile work environment is deliberately created so the children will be unsupervised, while the adults are forced to file coerced grievances for distraction from student learning, due to the scripted and inflicted injustices mentored from the unauthorized human capital takeover. When the above is present, this means regional killer and human trafficker Adam Urbanski unauthorized human capital front is in full human trafficking mode.

With inflicted contract violations and contract non-enforcement plotted lawlessness, it is easier for the eugenicists/Luciferians to program school lunch poisonings and induce hospitalize the children, in preparation for human trafficking. For concrete evidence of such practices, including the role of regional operative Adam Urbanski in orchestrating poisoning and forced hospitalizations of RCSD students to feed trafficking pipelines, please see regional killer Adam Urbanski's induced superintendent extermination inflicted and timely RCSD induced budget havoc, created to exterminate qualified cooks and food managers, to bring non-qualified workers in, to poison and induce hospitalize RCSD students, for his human trafficking program, at the experimental level at:

<https://archive.org/details/june-7-2024-2024-notarized-urbanski-food-poisoning-article-june-5-2024/FINAL%20JUNE%207%2C%202024%20%202024%20NOTARIZED%20URBANSKI%20FOOD%20POISONING%20ARTICLE/mode/1up>

or

The strategic objective is to manufacture hostile work environments, thereby destabilizing staff retention and student supervision, ultimately exposing children to elevated risk. These top-down scripted injustices deliberately erode protective structures within the school.

Another core feature of criminal programming embedded in school districts with human capital trafficking fronts is the perpetual imposition of “evaluation threat” as a psychological and managerial control mechanism. This alleged evaluative authority, disguised as accountability, offers no substantive support: no copy machines, no books, no school funding, no infrastructural aid. It functions as an invisible deity, wielding punitive power without delivering any of the resources necessary to meet the power standards it imposes.

Compensation inequity is another tool of enslavement and sabotage used in human capital concoctions in school districts. Qualified educators of color, especially those in leadership roles such as principals, are systemically deprived of operational funds. They are repeatedly told, there is no money for books, no paper, no copy machines, no computers, no funding for technology, and no building support money. This deliberately cripples their ability to lead.

In stark contrast, when a non-minority administrator/principal is assigned to the same role, financial surpluses mysteriously emerge, and they are compensated generously, further evidencing racialized misappropriation and financial discrimination, programmed by the regional killer Adam Urbanski eugenic AFT human capital coded programming.

The below are some of the USA large districts, all majority minority schools, that have been listed as having criminally established Human Capital Offices, HCOs, for human trafficking, unbeknownst to many of the education leaders. Bringing in the human trafficking fronts, known as Human Capital Offices, is also done to attempt to make experienced and qualified educators, feel as if Human Capital programming is some innovative education excellence programming, when it is not. It is a false phenomenon of above the law, enslavement tool, scripted from criminal foreign law being taught in law schools via The Code Noir: French Law as a Tool of Enslavement at: <https://www.nyulawreview.org/wp-content/uploads/2022/12/NYULawReview-Volume-97-Issue-6-BoumbaSatterthwaite.pdf>

The Human Capital Code Noir scheme in public schools is to human traffic and kill students and staff for Luciferians to meet part of their mass murder contract with dark forces. It is rooted in the above noted eugenic human capital investment plan. The human capital front is designed by Luciferians criminally using the USA public school districts for satanists assassination programming to meet their unearned wealth and power contract. The warlock, racist, necrophiliac, and AFT leader behind this diabolical human capital programming is regional killer and human trafficker Adam Urbanski.

Again, please meet him in his RCSD student poisoning capacity under the disguise of his unsupervised and induced cafeteria staff budget cuts, designed to remove qualified lunch cooks to bring in his human capital hired and not vetted poison specialists at: <https://www.roccitymag.com/news-opinion/rochester-city-school-district-cant-hire-cooks-enough-12907707>

Meet regional killer Adam Urbanski in his human trafficking mentorship capacity disguised as human capital investment programmer in AFT here: <https://www.aft.org/about/leadership/adam-urbanski>

The human trafficking front disguised as Human Capital management, personnel and school governance hijacking and its discriminatory impact needs to be investigated. All the below school districts labeled with Human Capital fronts are all majority minority school districts. They are targeted for becoming, if not already, human trafficking havens set up by eugenicists. Investigations and stoppages are needed.

Several large school districts across the United States have covertly implemented Human Capital Offices (HCOs), which are aligned to criminal trafficking infrastructures under the guise of educational governance and reform.

While many educational leaders may be unaware, these HCOs serve as fronts for coordinated human trafficking operations. Their introduction is often framed as an "innovative" educational initiative, designed to deceive stakeholders into believing they support academic excellence, when in fact, they enable covert criminal agendas.

The Human Capital Management apparatus, as currently constituted in these districts, is being leveraged to facilitate human trafficking and, ultimately, the targeted harm and destruction of students, and staff, particularly in majority-minority districts. This constitutes not only systemic fraud but a civil and criminal rights emergency.

The racialized deployment of these HCOs demands immediate federal investigation for discriminatory intent and genocidal application. These offices are operating as trafficking hubs, criminally usurping and hijacking school governance and disguised as Human resources infrastructure.

An urgent review, audit, and dismantling of these so-called Human Capital Offices is imperative. Below is a list of U.S. school districts with advertised Human Capital infrastructures. Please note each school district with the human capital code is majority minority. If human capital school management is so wonderful why is its deployment not in non-minority school districts?

An immediate federal and state-level review, forensic audit, and dismantling of so-called "Human Capital Offices" (HCOs) embedded within public education systems is imperative. Each school district identified with an HCO infrastructure serves a majority-minority student population. This raises urgent equal protection and civil rights concerns. If these Human Capital models are truly beneficial, why are they not uniformly implemented in non-minority districts?

I am demanding prompt investigations, legal intervention, and cessation of these unjustified and lethal administrative human capital models in school districts. The opening attachment pictures evidence that human capital offices are directly related to human trafficking, trading, investments, cadavers and body parts in commerce, especially of the poor.

Unauthorized and unwarranted, Human Capital offices, I have seen in public education, are put in minority school districts for the sole benefit of eugenicists, body brokers, satanists, and Luciferians, meeting their satanic contracted, human trafficking, assassination, infestation and destruction requirements, for wealth and power. They use public school systems wherever vulnerable populations of children are, for children sacrifices and humans profiting off the sales of humans.

The use of "human capital" terminology, which refers to and is associated with the commodification and sale of human beings for profit, is inappropriate in any school district setting, particularly in settings alleged to be protecting children.

Above all, this practice of using school systems for human trafficking, coded as human capital programming, and unlawfully executed through the exercise of school district hiring authority, constitutes a demonstrable pattern of occult influence, organized fraud, and the criminal usurpation of school district governance structures.

The deployment of human capital offices in school districts, makes no sense, is unwarranted, and patterns covert human trafficking definitions and schemes. These human capital and trafficking patterns must be exposed, investigated, and terminated. Human Capital coding has been criminally planted in minority school systems for education destruction, embedded in inflicted lawlessness, another occultic manipulative and deadly tool of enslavement.

The eugenic and criminal establishment of human capital offices in targeted school districts, with unauthorized governance power, is unwarranted, lacks justification, and facilitates organized human trafficking schemes and human capital investment plans.

These patterns of human capital unauthorized governance/hiring usurpations that facilitate trafficking, must be identified, thoroughly investigated, and eliminated. This submission constitutes another formal civil rights complaint against human trafficker and assassin programmer Adam Urbanski, for criminal abuse of power in the use of his AFT vice president impersonator position. He has again criminally used his government position for his personal racketeer gain to criminally meet his Luciferian and warlock massive assassination programming contract in exchange for unearned wealth, power and the secrecy curse advancing democide and the not yet stoppage of his human trafficking and eugenic assassination crimes.

I am demanding immediate investigations, legal intervention, and cessation of these unjustified and lethal Human Capital Code Noir developments in school districts, in the interest of safeguarding children.

I am attaching the following evidence, which establishes that Human Capital Offices are directly connected to human trafficking operations, including the commodification of cadavers and body parts, particularly those of the poor. This practice of monetizing humans, the selling of humans and or their body parts for profit, has no place in any school district, let alone having governance power over hiring and students.

Most disturbingly, this form of Human Capital Trafficking coded as unionism, educational leadership, education reform, and school management, is not only unconstitutional but also reflects deeply rooted, occultic practices, embedded in symbolic and systemic spellcasting.

In closing, the installation of Human Capital codes in public education systems is unwarranted, logically incoherent, and demonstrably aligned with covert trafficking patterns. These Luciferian crimes must be exposed, investigated, and urgently dismantled.

Finally, if your school district is using or if you know of a school district using the human trafficking/Human Capital CODE NOIR, please forward this, investigate and facilitate the destruction of such. In fact, please forward this entire over 52-page declaration to educators, parents and criminal justice authorities all over.

Please investigate the school district's student and staff death rates and democide practices, in alignment with the manifestation of the Human Capital coded front. Please protect the children by all means necessary. Be vigilant and let all education stake holders annihilate all human trafficking, eugenic assassination programming's, democide practices and all false phenomenon of above the law delusions of law. These hate crimes are criminally infiltrated in majority minority public education systems for human trafficking and satanic assassination programming, administered as satanic Human Capital Investment wealth plans, led by eugenicist, regional killer, human trafficker, racist, and necrophiliac, Adam Urbanski, working and financing out of the AFT.

By not arresting and prosecuting regional killer Adam Urbanski, after over 40 years of student and staff human trafficking, eugenic assassinations and school vaccine induced infestations, and allowing him, at over 80 years old, to continue working in authority, with children, the system has facilitated the creation of a demon obsessed necrophiliac monster, criminally using government to expand his criminal expert, mass human trafficking and eugenic assassination programs.

In closing, make America great again, have this killer and his retinue of demon assassin programmers, exterminated off this earth via incarceration, immediately. Annihilate Luciferian assassins and gangsters in government, with their human trafficking and eugenic assassination coded programs. Thank you for your time.

Dear RCSD Superintendent Dr. Rosser, the Above Noted Criminal Justice, Public Officials, Parents, Lawyers, Police, Educators, and School Reform Leaders:

Dr. Rosser, first and foremost, welcome to the Rochester City School District. It is an accomplishment and pleasure to see an experienced superintendent, particularly due to the attached over 40 years of hate crime education programming by the Rochester Teachers Association President Actor, Adam Urbanski. I extend prayers and blessings for your leadership and stewardship during this pivotal time.

Your superintendent arrival coincides with deeply concerning conditions involving the over 80 years old, human trafficking, eugenic assassination programmer, and Rochester Teacher Association union president actor, Adam Urbanski. His long-standing and false phenomenon of above the law systemic human trafficking, eugenic assassination and criminal activities, I have witnessed as a former RCSD tenured educator, requires the writing of this letter.

I am compelled to share the attached Adam Urbanski, name aligned, deadly, eugenic, conflict of interest, racist, and criminal background uncovered, on behalf of the safety of the RCSD students and staff. When I worked in the RCSD, regional killer Adam Urbanski, tried to have me human trafficked and killed. But God! Since God's rescue, he has criminally stalked me and programmed, multiple murder by proxy assassination attempts, for over 30 years. He killed my closest family members, using his label dead, while alive programs and did so to get me alone for financial demise and human trafficking. Because of the Most-High God's divine intervention, I am alive and can testify.

Human trafficker Adam Urbanski's background in body brokering, human trafficking, deadly sleep research, death care obsessions, and his criminal creation of the unauthorized RCSD human capital office front for placement of his below linked internet recruitment of traffickers, coupled with his election fraud, racist student and staff education practices, his attached documented RCSD student poisonings and induce hospitalizations, institutional abuses, his work with the University of Rochester Medical Center infectious disease creation and viral replication injection laboratories and administrations, all require the writing of this letter. Please see the exhibits attached.

Regional killer Adam Urbanski has been for years inflicting his racial envy crimes on RCSD students and staff from the programming level. When I worked in the RCSD, I brought to the attention of the school-based management team, a regional killer Adam Urbanski programmed racist program, called the Major Achievement Program, the MAP program. This program was planted in a majority minority school, Charlotte Middle school, yet the honorary MAP program was non-minority, by human trafficker Adam Urbanski criminal programming.

The RCSD MAP program entrance requirement was not student test scores or academics. It was teacher judgment. This teacher bias entrance requirement effectuated the human trafficker Adam Urbanski discriminatory impact education programming. This racist education program denied qualified academic scholars, who were children of color, equal education opportunities.

Human trafficker Adam Urbanski was criminally mentoring his criminal senile false phenomenon of supremacy education programming. He was infesting the school district with his criminal senile racial envy and false phenomenon of supremacy from the middle school level. His deadly racist roles in the Rochester Teachers Association and in the American Federation of Teachers, has effectuated the above noted multiple deadly racist human trafficking programs masked as Human Capital office fronts. The Human Trafficking fronts disguised as Human Capital Offices are criminally planted in the above noted minority school districts with unauthorized governance power. Such programming is prejudiced and deadly.

These school district human trafficking offices, disguised as Human Capital Office fronts, with school governance power, are not in one non-minority school district. If the Human Capital school governance front is beneficial to students and staff, why isn't one HCO in a non-minority school district?

When I was in Rochester, after I wrote the MAP program, discriminatory impact memo, regional killer Adam Urbanski sought revenge, silencing and implemented murder by proxy programming. He sought to have me killed for addressing his blatant education racism and inferiority complex. He used his attached University of Rochester Medical Center documented deadly sleep research to attempt to induce hospitalize me, like he has done hundreds, maybe thousands of other RCSD staff members. He had my food poisoned, he hired a hypnotist to hypnotize me, he programmed LSD, and he almost killed me. But God. My mother rescued me from regional killer Adam Urbanski's documented induce hospitalization cancer injection ready U of R Medical center program, human trafficking and eugenic assassination programming.

Hence, I am firsthand qualified to testify about his human trafficking and eugenic assassination programming's. Regional killer Adam Urbanski's hatred of competent educators is exemplified in his repeated extermination of qualified and experienced educators in the RCSD. He particularly targets qualified educators of color. Based on documented incidents and public testimonies, these actions reflect deliberate suppression of competent professionals and forms part of a broader eugenic and human trafficking framework that warrants immediate scrutiny.

Two highly qualified PHD level educators I recall he eugenically exterminated, based on envy. Dr. McKinney and Kay McLendon. He left both with blinking eyes, unable to explain human trafficker Adam Urbanski's assassination programming. Dr. Kay McLendon was a newly appointed Superintendent. He bribed an agent in the Rochester Newspaper to lie and state the Rochester Teachers Association voted Kay McLendon incompetent. There was no vote. This was a regional killer Adam Urbanski racial envy lie, that criminally effectuated her extermination, and his lifetime blacklisting, using his newspaper bribery and defamation.

Everywhere she worked, he sent his racial envy defamation news article, seeking to financially destroy and eugenically kill her, like he tried with me. See exhibit 20, a small pro se settlement I earned due to his unregulated murder by proxy, attempted murders, financial stalking, his criminal pay offs and eugenic threats to lawyers, to make sure they could not help. But God!

Please note regional killer Adam Urbanski programmed the timely murder by proxy eugenic assassination of the Hempstead Public School Teachers union lawyer, Daniel Gallison immediately after the exhibit 20 settlement paid to me, for killer Adam Urbanski's programmed interference with state and federal laws in the school district to kill me. Please see exhibit 20. He also programmed timely induced cancer on the Hempstead union president, Mr. Keefe, for signing off on the settlement. He is criminally well infested in the University of Rochester Medical Center infectious disease departments and programs the killings of all races, due to his not yet arrest. Unfortunately, due to the lack of arrest of regional killer Adam Urbanski, the RCSD students are currently and again, at regional killer Adam Urbanski's infectious disease and sterilization injection mercy.

Dr. McKinney was his sleep research induced hospitalized and could never explain what happened, non-consensual experimentee. She was criminally exterminated out of education for years due to his education inferiority, insecurities and envy of her PHD. Regional killer Adam Urbanski is a starch satanist, warlock and racist, with mentally ill, euphoric and necrophiliac behaviors with unsupervised money. He should not be near children or humans.

As Superintendent, you are now positioned to confront and interrupt the attached documented entrenched systems of harm. I respectfully urge you to review the attached documentation carefully, and to work with law departments, the US Department of Justice, Howard, Spellman and Morehouse law schools and initiate transparent public safety and civil rights investigations, that will exterminate human trafficker and regional killer, 80-year-old, racist, Adam Urbanski from the RCSD expeditiously, with penalty enforcement.

Also, to facilitate counteracting the criminal miseducation damages, human trafficker Adam Urbanski has invested in the RCSD for years, via his inhumane, racial envy of children and adults, please watch the below video and forward accordingly to educate: Why Racial Envy Still Exists in America Today – A Deep Psychological Breakdown Billy Graham Sermon:
https://www.youtube.com/watch?v=TEou_o-o12A

Regional killer and human trafficker Adam Urbanski is over 80 years old and because his Luciferian stronghold is so entrenched and rooted in his nonarrest for RCSD student and staff human trafficking and killing for over 40 years, with no penalties, due to such, he is criminally stronghold attached to the RCSD children.

Hence, he is currently still in the RTA, while over 80 years old, continually, organizing the trafficking, infestation and killing of RCSD students and staff. To facilitate his human trafficking and eugenic assassination programming, he is connected to the University of Rochester Medical Center infectious disease, induce trauma and sleep research laboratories and departments. He has the University of Rochester Medical Center, bribed criminals, ready to label, children and adults dead, while alive, for his human trafficking programs. Just like he bribed them for his Africa deadly pathogen infectious disease creation, replication and deadly injection dissemination, regional killings and massacres.

Please see this regional killer Adam Urbanski and the University of Rochester Medical Center, deadly pathogen creation and replication, murder by proxy programming, implemented as the Africa Harmonization project, as exemplified in exhibit 4D attached. In that same exhibit 4D, please note regional killer Adam Urbanski's University of Rochester Medical Center deadly pathogen replication laboratory. In that same exhibit, you will see the eugenicists mass assassinations disguised as an epidemic, behind their deadly pathogen laboratory injection creations, killing massively in Africa and thereafter in the United States wherever people of color live.

Since his criminal success with this RCSD Luciferian human trafficking and assassination programs, he is mentoring these human trafficking and murder by proxy programming's via unwarranted and out of the sky unsupervised Human Capital money inflicted in minority school districts, to criminally coerce, body broker school governance. Please see pages 34, 40, 41 and 44 at:

<https://archive.org/details/final-june-1-2024-regional-killer-adam-urbanski-exhibits/FINALEE%20JUNE%202%202024%20%20REGIONAL%20KILLER%20%20ADAM%20URBANSKI%20EXHIBITS%20mode/1up>

It is my contention, that you are the first experienced superintendent since Mannuel Rivera. The Rochester Teachers Association President Actor and human trafficker Adam Urbanski criminally programmed superintendents with zero experience as superintendents. This was done so regional killer Adam Urbanski could and can criminally have full control of the school district budget for human trafficking and eugenic assassination programming.

In fact, his RCSD student poisoning, vetted and qualified student lunch managers and cook exterminations, his premeditated budget cuts, and induce hospitalization nonconsensual human research experiment, was conducted under a zero-experience superintendent, who meant well. This superintendent was set up and ousted by regional killer Adam Urbanski's concocted scandal so killer Urbanski's poison experimentation, student human trafficking and eugenic assassination could move forward to the current RCSD Human Trafficking Headquarters status disguised as the RCSD Human Capital front.

Please read about human trafficker Adam Urbanski's RCSD student poisoning and induce hospitalizations, for label dead, while alive, human trafficking of students at:

KILLER ADAM URBANSKI RCSD STUDENT POISONING FOR INDUCE HOSPITALIZATION, LABEL DEAD, WHILE ALIVE, HUMAN TRAFFICKING, EXPERIMENTATION PHASE:

He has been criminally controlling the RCSD and deliberately destroying the education of children, via poisoning students, induce hospitalizing and human trafficking students and staff for over 40 years, without penalties, yet. He is a deadly, not stopped yet, assassin programmer, racist, human trafficker, ruthless, criminal senile Luciferian and warlock.

Human trafficker, regional killer, racist, body broker, necrophiliac, and Rochester Teachers Association President Actor, Adam Urbanski has been running the RCSD school district in a most racist manner for over 40 years, with no supervision and no penalties, yet.

Since not arrested yet, he is criminally using his position in AFT to expand his Luciferian human trafficking and eugenic assassination programming's, targeting and infesting minority school districts via AFT with his body broker Human Capital fronts with programmed unauthorized governance/hiring power, to bring in more satanists, traffickers, criminals and pedophiles, to effectuate his criminally expert human trafficking programs.

His Human Capital body broker fronts are criminally entering majority minority school districts with unexplained and unsupervised money. This is what he did in the past with his human sexuality grants in the RCSD. Plausible deniability grant money was used to open after school programs to identify sexually active students, to put them on a list, for his programmed infectious disease and sterilization school vaccines, injections, shots, inoculations and more.

Please see exhibit 8. This is regional killer Adam Urbanski's 2025, plausible deniability, premeditated Rochester newspaper bribed propaganda to disguise his RCSD student eugenic assassination programming, emphasis on coerced non-validated measles vaccines for RCSD students, to be administered by his RCSD unauthorized Human Capital front, hired alleged nurses for: non-validated injection and vaccine administrations, paving the way for his additional, racial envy, student poisonings, sterilizations, child assassin creations, induced non-responsiveness, for label dead, while alive programming, neural link brain chipping for mind control programming/assassin creations, STD epidemics, induced rare disease babies for pregnant teens, induced autism for RCSD highest test scorers, and more. Ask killer Adam Urbanski. Please see his below bribed fake news and propaganda created to inject RCSD students with non-validated vaccines, by Urbanski RCSD Human Capital hired organized fraud eugenicists. Please see the prepared propaganda concocted for his repeated RCSD eugenic assassination programming:

Human trafficker Adam Urbanski is criminally using his body broker human capital coded programs to enter minority school districts nationwide, via AFT, with unauthorized governance power, designed to human traffic and eugenically kill students and staff easily. His human capital fronts have been organized and planted for no other reason but for human trafficking and assassination programming for his Luciferian massive killing oath for unearned wealth and power in exchange for children and adult, mainly children sacrificed killings. This is the main reason for his body broker human capital fronts in public schools, with a discriminatory impact.

His organized human trafficking programs are criminally implemented as Human Capital fronts, planted in only majority minority school districts, with unauthorized governance power. This Human Capital personnel hijacking is to criminally usurp authority over personnel, retirement, medical, dental, student injections, and more key issues associated with student and staff management.

His main crime ring agents and racist office is his unauthorized body broker name aligned concoction, titled the unauthorized, RCSD Human Capital front. This office is led by a bunch of non-vetted racists. Not one person in power, who is competent, looks like the majority of the RCSD students.

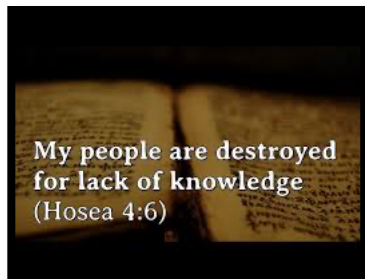

Please see the below evidence clearly showing the Role of Human Capital fronts. They are unsupervised human capital investment schemes aligned with human trafficking, trading, cadavers, and body parts commodification/sales, especially those of the poor. Human Capital offices do not belong in school districts and the discriminatory impact in placements, exemplify bad faith administration.

The bible says:

The RCSD Human Capital office in conjunction with other un-ethnic and unethical financial offices, in the RCSD, control all the school districts hiring, money, medical, dental, retirement, student food and more. The RCSD Human Capital body broker office is in place to plant organized crime criminals, pedophiles, and other satanists/Luciferians like Adam Urbanski in the RCSD key positions. He has a human trafficker, pedophile, and criminal recruitment 24/7 service hotline via the internet. Please see the below link. Regional killer Adam Urbanski is the recruiter for human traffickers and plants these traffickers in the RCSD as well as the above noted minority school districts with human capital school district governance office fronts. Please see his school district human trafficking personnel recruitment site disguised as money marketing recruitment at:

Please take your time and review all the information I have attached with your law department. It is my prayer that you bring in your own law agents, because regional killer Adam Urbanski has corruption set in place for and from every angle imaginable, from the unauthorized RCSD Human Capital front, to the RCSD Finance Department, to the RCSD law department, to the chief of staff front, straight to his ordering of infectious disease, sterilization, induced autism, induce rare disease babies for pregnant teens, and his mind control assassin creation, needles, vaccines, injections, shots, inoculations and more. Please see exhibits 4-8 and 10-13, attached.

He has poisoned, induced hospitalized, staged the death, labeled dead, while alive, the most brilliant, high-test score RCSD children, mainly males, and has and is human trafficking them to be leaders in his satanic cults linked child soldier assassin creation camps, currently being used to kill Haitians and Africans, massively under the disguise of a phenomenon. Please see the attached exhibits 2 - 4B.

Please see in exhibits 4 to 8, attached. These are regional killer Adam Urbanski and his Luciferian killing cult's bought infectious disease laboratory attachments to the University of Rochester Medical Center. These attachments are his personal infectious disease injection creation, replication, and dissemination criminal laboratories and programming's, criminally created for his required Luciferian killings, infestations, and epidemics advertised as a phenomenon at exhibit 4C attached.

Please note the University of Rochester Medical Center was and is Regional Killer Adam Urbanski's deadly pathogen injection creation and viral replication laboratory. In exhibits 4C to 8, and 10, you will see human trafficker Adam Urbanski's satanic brother, eugenicist, and assassin, attorney Boyden Gray's, name aligned and attached Africa deadly pathogen injections used for their Luciferian massive regional killings and massacres in Africa. To this end, and to prevent regional killer Adam Urbanski's ongoing massive regional killings with a discriminatory impact, I urge Superintendent Rosser to:

- 1. Have all injections, vaccines, shots, inoculations and medicines validated. Require comprehensive validation of the contents and safety of every vaccine, shot, or injection introduced, programmed, and or ordered, into the RCSD, under Adam Urbanski's over 40-year criminal reign over the RCSD. This includes ensuring full transparency prior to administration, especially those administered under Mr. Urbanski's over 40-year unsupervised and racially discriminatory leadership.**
- 2. Conduct scientific testing of school meals: Launch a full investigation into the RCSD's school lunch laboratories, cafeteria operations and staff. This should include independent scientific analysis of meals to identify any hidden hormones or substances that are designed to induce same sex sexuality, provoke sterilization, obesity and destroy reproductive rights or inflict other long-term eugenic effects on students.**
- 3. Review RCSD death and infectious disease rates compared to similar size districts: Perform a statistical review and public health analysis comparing death rates of students and staff, as well as infectious disease injection induced epidemics, among RCSD students, to those in comparable school districts of similar size and demographics.**
- 4. Audit injection-induced disease outbreaks:
Investigate past and present disease outbreaks in RCSD with a focus on correlation to vaccine or injection protocols, particularly as it relates to the University of Rochester Medical Center infectious disease injections and laboratories.**
- 5. Monitor for evidence of democide and trafficking patterns:
This includes personnel hijacking, not vetting applicants, disabled laws, enforced lawlessness, repeated discriminatory practices, contract violations and contract non enforcement as methods of operation, establish oversight protocols to detect and address any systemic practices that indicates organized democide, retaliation and or crime reporting silencing, and any signs consistent with human trafficking programming within the district.**
- 6. Use fingerprints to authenticate criminal background clearances and education credentials, of all staff hired via the RCSD Human Capital Coded program.**
- 7. Remove the RCSD Human Capital Code and curse, and replace such with equal justice offices, where students, parents and staff, see something, say something, criminal reports, will be investigated, and put in place a professional, not coded, human resources and personnel office.**

It is my prayer and sincere expectation that educational equity and excellence will be introduced to RCSD through these measures. These actions are critical to safeguard the health, freedom, and educational success of our youth. Equity cannot exist under the continued rule of a criminally negligent, racially biased, and spiritually figure.

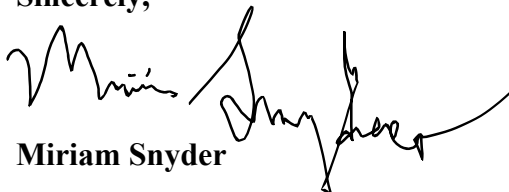

May the Most-High God and His warrior angels anoint RCSD's entire community and bring strength, clarity, and divine protection to the newly appointed and qualified superintendent, the students, and entire RCSD community.

Should further testimony be needed, please contact me using the below information. This will be mailed with tracking to the RCSD superintendent and criminal justice authorities. I seek the protection of the students and staff from regional killer and human trafficker Adam Urbanski's attempted murder, human trafficking, and deadly organized fraud hate crimes he inflicted on me. Thank you for your time.

DEEP BRAIN STIMULATION
 Researchers at the Cleveland Clinic have treated patients with obsessive-compulsive disorder by inserting a pacemaker in the chest and sending electrical pulses to the brain. To the doctors' surprise, two-thirds of the patients in a small trial scored much higher on memory tests after the treatment.

MIND OVER MATTER
 At Brown University, a small number of paralyzed patients have had chips implanted in their brains that detect neural signals. The chips are wired to computers programmed to carry out certain tasks the patients think about performing. After training on this system, some patients were able to move a cursor on the computer screen simply by thinking about doing so.

MEMORY CHIPS
 Doctors treating stroke patients who suffer from memory loss would like to replace damaged brain tissue with semiconductors. Working with rats, a team of scientists led by the University of Southern California's Theodore W. Berger, learned how neurons responsible for memory react to varying patterns of electrical stimulation. They've turned those reactions into electrodes on chips, which will soon be implanted in a rat's hippocampus. The chips receive signals from one set of healthy brain cells, process them digitally, and pass them along to other healthy cells—taking over the function of damaged tissue. Crude chips might boost capacity in healthy brains as well.

HERDING NEURONS
 At the forefront of brain research, scientists are learning to turn individual neurons on and off at will, creating hopes for quelling debilitating events in the mind and promoting useful ones. Edward Boyden, professor of neuroengineering at MIT, uses colored light on genetically engineered brain cells in mice. When exposed to a fast pulse of blue light, the neurons in the brain switch on; a yellow flash turns them off. Medical applications might include treating Parkinson's tremors or epileptic fits by switching off swarms of diseased tissue. But the technique also could be researchers' pinpoint and study those cells of neurons that control cognitive functions such as decision-making. The end result could be the ability to identify, track on, and deactivate whole networks of neurons to enhance specific cognitive skills.

The Exclusionary State is a criminal hate crime Luciferian Assassination Program where legal systems are structured to exclude and eliminate targeted racial, religious, human rights advocates and vulnerable groups under color of law.

THE JUDGE ACTOR ALISON NATHAN AND HER WIFE ARE CRIMINALLY DEFRAUDING THE UNITED STATES BY HIJACKING JUDICIARIES AND LAWYERS INDEPENDANCE BY COMPELLING THE INFESTATION OF INTERNATIONAL LAW WITH RESPECT TO OPERATING AS AN EXCLUSIONARY STATE, WHERE JUDICIAL SYSTEMS ARE HIJACKED TO DENY DUE PROCESS, SUPPRESS CONSTITUTIONAL PROTECTIONS, AND FINANCIALLY ASSASSINATE SELECT CITIZENS THROUGH TARGETED LEGAL FRAUD.

The term in the above noted, assassin Margaret Satterthwaite's hate crime article, referencing the **“Exclusionary State”** isn't a universally codified doctrine in international law like “sovereignty” or “non-intervention,” but in scholarly, political, or legal discussions, it typically refers to:

A state (government or legal system) that structurally or deliberately excludes individuals or groups from the protections, benefits, or participation guaranteed by law.

🌱 It Often Shows Up In:

1. Human Rights Law

- States that deny due process, voting rights, or citizenship to certain populations (based on race, religion, political belief) may be referred to as *exclusionary*.
- Example: **Apartheid-era South Africa or any regime that suppresses ethnic or minority rights.**

2. Refugee and Statelessness Law

- An exclusionary state may refuse to recognize the nationality of a group, rendering them *stateless* under international law — **a violation of the 1954 Convention Relating to the Status of Stateless Persons.**

3. Legal System Corruption or Capture

- A system that excludes litigants from fair court access, uses law to silence dissent, or enables **judicial conspiracies against rights** may be described as *exclusionary* — even if outwardly democratic.

⚖️ Related Legal Doctrines:

- **Rule of Law Violations** – When laws exist, but they're only enforced **selectively or used to exclude targeted populations.**
- **Equal Protection Failures** – Under international treaties like the ICCPR or regional charters (e.g., European Convention on Human Rights).
- **Discriminatory Sovereignty** – When the state claims legal power while violating binding treaties or constitutions.

Liberty to all but preference to none	7
The safety of the people is the supreme law	9
The safety of the people cannot be judged but by the safety of every individual	10
Legitimacy of Government	11
Unjust is State power where the law is either uncertain or unknown	11
The State should be subject to the law, for the law creates the State	13
The judge who decides a case without hearing both parties, though his decision be just, is himself unjust	14
Courts of justice are for the common people to command the power of the State	15
The Burden	16
The burden of proof lies on him who asserts the fact, not on him who denies it, because from the very nature of things a negative cannot be proof	16
Testimony and Evidence	17
No one should be believed in court except upon his oath	17
Courts should not believe water runs upward of its own accord nor that impossibilities exist	18
The certainty of a thing in court arises only from making the thing certain in court ..	20
Civic Duty of Citizens	21
Each should use his own powers and property so as not to unjustly injure others	21
Private Property	22
There is nothing more sacred, more inviolate, than the house of every citizen	22
Every home is a castle; though the winds of heaven blow through it, officers of the State cannot enter	23
Title is the right to enjoy possession of that which is our own	24
Civil Rights	25
No one should be required to betray himself, i.e., no one should be made to testify against himself	25
Everyone should be presumed innocent until his guilt is established beyond a reasonable doubt	26
No one should be twice harassed for the same offense	27
Administration of Justice	28
He who slices the pie should be last to take a piece	28
Judicial Reasoning	29
Words should be considered only as commonly understood and not with a meaning others construe to their own purpose	29
Words should be interpreted most strongly against him who uses them	30
Crime and Punishment	31

Every year human corpses meant for anatomy classes, burial, or cremation find their way into the hands of a shadowy group of entrepreneurs who profit by buying and selling human remains. While the government has controls on organs and tissue meant for transplantation, these "body brokers" capitalize on the myriad other uses for dead bodies that receive no federal oversight whatsoever: commercial seminars to introduce new medical gadgetry; medical research studies and training courses; and U.S. Army land-mine explosion tests. A single corpse used for these purposes can generate up to \$10,000.

As journalist Annie Cheney found while reporting on this subject over the course of three years, when there's that much money to be made with no federal regulation, there are all sorts of shady (and fascinating) characters who are willing to employ questionable practices—from deception and outright theft—to acquire, market and distribute human bodies and parts. In Michigan and New York she discovers funeral directors who buy corpses from medical schools and supply the parts to surgical equipment companies and associations of surgeons. In California, she meets a

In California, she meets a crematorium owner who sold the body parts of people he was supposed to cremate, generating hundreds of thousands of dollars in profits. In Florida, she attends a medical conference in a luxury hotel, where fresh torsos are delivered in Igloo coolers and displayed on gurneys in a room normally used for banquets. "That torso that you're living in right now is just flesh and bones to me. To me, it's a product," says the New Jersey-based broker presiding over the torsos. Tracing the origins of body brokering from the "resurrectionists" of the nineteenth century to the entrepreneurs of today, Cheney chronicles how demand for cadavers has long driven unscrupulous funeral home, crematorium and medical school personnel to treat human bodies as commodities.

Gripping, often chilling, and sure to cause a reexamination of the American way of death, *Body Brokers* is both a captivating work of first-person reportage and a surprising inside look at a little-known aspect of the "death care" world.

Dear Mr. Thomas:

Pursuant to Federal Rules of Procedure 26 (F) we are required to consider case management issues and jointly develop a Discovery Plan and report on the FRCP 26 (F) meeting. Please let me know when you are available to do this. I can meet with you in the courthouse.

Pursuant to FRCP 26 (a) (1)(A), I am awaiting a summary of the subject/ relevant information, for each witness listed in your initial disclosures.

Also, Instructional materials I brought to the school are still in the schools possession. Please make arrangements for a day when the classroom will be open so I can retrieve my belongings.

Also, pursuant to FRCP 26(f) we may entertain settlement possibilities. To this end, I would like you to consider the following facts:

1. Two weeks prior to termination I received a satisfactory rating,
2. I tape recorded many of the harassment sessions by Mr. House. He did not follow procedure,
3. I was never given a reason for the termination as evidenced in the documents and other data,
4. No one deserves the public discharge that was enforced without reason,
5. The children did not deserve the disruption in their educational program, etc,

These are some facts that must be addressed whether procedurally or exposed otherwise. These tactics do not belong in education. They hurt children. They are the ramifications of contract violations and contract non-enforcement.

Moreover, the likelihood of a trial date in this matter is not viable for at least another nine months and will of course entail increased legal fees and costs.

To this end, I ask that you consider the following settlement issues:

1. Reinstatement to the position with back pay, as I have no legal reason to be terminated. Probationary teachers with satisfactory ratings worked to the end of the probationary period and acquire tenure pursuant to statutory law. I will not entertain Commerce law above Constitutional law. This will be a research-based expose' or I can be reinstated with all benefits entitled to.

NO ONE PROTECTED THE STUDENTS FROM REGIONAL KILLER ADAM URBANSKI. NO ONE STOPPED THE EDUCATION HATE CRIMES. SUCH IS INDICATIVE OF OCCULTISM IN EDUCATION. HE PROGRAMMED THE CRIMINAL NO REASON EVER GIVEN OUSTER OF ME THE DAY OF THE STUDENTS CHRISTMAS/MULTICULTURAL FESTIVAL, WITH PARENTS AND STUDENT FOOD AND PRESENTS LOCKED IN MY CLASRRROM. THE STUDENTS CALLED ME IN TEARS. THEY WERE MALICIOUSLY AND EMAOTIONALLY DISTRESSED AND DESERVE ABOVE THE BELOW RECOMPENSE. REGIONAL KILLER ADAM URBANSKI HURT MY YONKERS ESL STUDENTS AND THE SCHOOL AND UNION ALLOWED SUCH. RITA SELIGMAN TOOK THE HIT MAN MONEY.

OR

2. \$20,000 to the students in my ESL program for the disruption of the educational process. Payments to the students would simply state your child was awarded \$1,000 in an award between Snyder v. Yonkers Public schools. Parents would sign off on payments in \$500.00 increments and provide a receipt for educational expenses, to be mailed to the court and a copy to the plaintiff. The students deserve this. They became victims, because of the ploy to destroy me. The money for ESL students is available through your current settlement agreement between the United States V. Yonkers Public School District. There are monies set aside for ESL instruction. The students Holiday and continuity in education were destroyed based on this matter and they should be compensated for such destruction beyond human control. They are not chattel. They are children. The money is there. The receipts would document the educational use of the money. This incentive will encourage children to study education. What better way to use education settlement money set aside for children. Please consider this.

AND

3. I am not greedy. Make an offer that will make me walk away with the satisfactory rating earned and all benefits and emoluments due as an employee and a union-paying member. Please consider the point that based on the satisfactory ratings, tenure was expected. Make a reasonable offer that you would consider, separate and above the monies for the children. If we can jointly draft a discovery plan, we can jointly draft a settlement agreement.

In closing, number 2 and 3 above work together. This offer has nothing to do with the appeal on the union. Your written response is anticipated to each of the issues discussed in this letter. Thank you.

Sincerely,

Miriam Snyder

COMMENDATIONS

The ESL teacher at the *Jr./Sr.* High School has established a well-organized ESL program. The teacher has a very good command of second language and content-based ESL instructional methodologies appropriate to the linguistic and developmental needs of the LEP students. Materials are varied and appropriate. **Some of her materials and methodologies could be of immense value to other staff throughout the district.** The teacher should explain the goals and activities of the Newcomer Class in the description of the ESL Program, which she has prepared.

REGIONAL KILLER ADAM URBANSKI UNAUTHORIZED HUMAN CAPITAL & ORGAN HARVESTING REGISTRY WITH MY FATHER'S NAME AND LIVE ORGANS.

My father, John Snyder, a former Radiation Safety Specialist for the New York City Health Department and holistic medicine consultant, was criminally and without any consent or lawful authority placed into the below unauthorized human capital and human organ harvesting registry. This grotesque abuse constitutes a desecration of his dignity in both life and death and is a willful violation of his constitutional, statutory, and international legal protections. This registry represents a financial instrument of body commodification and securities-based trafficking, fraudulently engineered by the named conspirators for profit. It obstructs the divine and legal right to die in peace and instead converts the sanctity of the human body into unlawful investment portfolios. This violation implicates Adam Urbanski, B of A Securities, and associated actors in a coordinated conspiracy to traffic human remains and identities under false and criminal authority.

What is the highest paid organ donation?

The biggest-ticket organ you can legally sell in the U.S. is your heart: They're going for a cool \$1 million. Livers come in second, worth about \$557,000 and kidneys fetch about \$262,000 each. Widespread diabetes and heart disease is what have made these particular organs so expensive. Aug 18, 2014
